# Adding a Co-Editor to a Kaltura Video

Once you've created a Kaltura video, you can add a member of our video production team as a co-editor who can assist you with many of the post-production edits needed to ensure a high-quality learning experience for students.

Go to your Canvas course and click the "My Media" tab on the left-hand navigation panel.

Click the pencil icon located on the right side of the video you wish to modify.

Select the "Collaboration" tab located below the video thumbnail.

The term Kafkaesque has entered the vernacular to describe unnecessarily complicated and frustrating experiences, especially with bureaucracy. But does standing in a long line to fill out confusing paperwork really capture the richness of Kafka's vision? Beyond the word's casual use, what makes something "Kafkaesque"? Noah Tavlin explains.
